

Iowa-Illinois Safety Council

Chapter of National Safety Council  
Your Safety & Health Leader

# OSHA 500

*-Trainer Course in Occupational Safety & Health Standards for Construction-*

The OSHA 500 class authorizes participants who complete this train-the-trainer course to conduct 10 & 30 hour outreach classes to the construction industry and issue OTI Construction 10 & 30 hour participation cards.

Course time is spent learning and practicing adult training techniques. Students will participate in the development and delivery of lectures covering construction safety topics during class.

As a prerequisite for the class, participants must provide verification of 510 class attendance, and management confirmation of at least 5 years of relevant safety experience.

\$720 per person. Cost includes course materials. Participants should bring a copy of the 1926 regulations manual and a laptop computer. 1926 regulations manual is available for an additional \$25.

If you have any questions, please call Margret Meade at 515.276.4724, ext. 221 or email Margret@iisc.org.

***This class is awarded 24 CEH/2.4 CEUs by Des Moines Area Community College.***

This course is conducted in conjunction with Midwest OSHA Education Center.

*Members Only: Register one person at full price and each additional person from same company for same class get 25% off.*
