

John Deere Des Moines Works in Ankeny, IA (northern suburb of Des Moines) is looking to hire a full time Safety Trainer. The applicant will need to be a self-starter and willing to prepare and deliver safety training to both wage and salary personnel, including contractors at the Des Moines Works campus.

We are looking for someone that has safety experience and can give engaging presentations. While OSHA experience is a plus, it is not required to apply.

This is a contract position with the potential to become a full time one. It is an on-site position, but some of the training may need to be delivered via: computer. All equipment to provide training is provided.

We are looking for someone with a professional attitude and can demonstrate that they can engage with people. This position must possess a strong desire to learn and grow. The right candidate should take pride in their work and be willing to go the extra mile to deliver and improve the training experience for our associates.

This position will need to be proficient in Microsoft Excel, Word, PowerPoint, windows and understand the Cloud, Google and mobile platforms. Preferential consideration will be given to candidates that possess the OSHA 501/511 certifications.

Examples of the training to be delivered consist of:

- New Hire Orientation
- Monthly Awareness
- Lock-out/Tag-Out, both Awareness & Authorized
- Electrical Safety
- Confined Space
- Working at Heights
- Contractor Safety
- CPR & First Aid
- Machine Safeguarding

This position will also maintain and populate the training matrix for all employees. This position will notify supervisors when training is due to assure employees are scheduled for the training. This position will schedule and conduct training on a regular basis so that courses are offered at a variety of times to support production capacities.

Dress code for this position will be business casual. All PPE required for the job will be provided by John Deere. However, the applicant is responsible for acquiring and providing their own substantial shoe/boot with built in metatarsal protection. All COVID-19 protocols will be followed, including a daily temperature screen, wearing of a facemask when in a public space and maintaining social distancing protocols.

This position will work at the John Deere Des Moines Works location in Ankeny, IA. [Schedule will be Monday through Friday, 7am – 3:30.](#)

Some off shift/weekend work may be required depending upon training needs.

Submit resumes to: DMWSafety@JohnDeere.com. Company website: www.deere.com
