The OSHA Outreach Training Program provides training for workers and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards in workplaces. The program also provides information regarding workers' rights, employer responsibilities, and how to file a complaint. This is a voluntary program and does not meet training requirements for any OSHA standards.

These courses are conducted in conjunction with Midwest OSHA Education Center.

Course Information

• OSHA 500 Trainer Course for Const. Industry

Class time: 8:00 am - 4:00 pm (last day ends at noon).

The OSHA 500 class authorizes participants who complete this train-the-trainer course to conduct 10 & 30 hour outreach classes to the construction industry and issue OTI Construction 10 & 30 hour participation cards. Course time is spent learning and practicing adult training techniques. Students will participate in the development and delivery of lectures covering construction safety topics during class. **Prerequisite:** participants must provide verification of 510 class attendance, and management confirmation of at least 5 years of relevant safety experience.

•**CLASS DATES:** October 11-14, 2016

•**Location:** IISC's NEW office - 1501 42nd St, Suite 100 - West Des Moines, IA

• OSHA 501 Trainer Course for Gen. Industry

Class time: 8:00 am - 4:00 pm (last day ends at noon).

The OSHA 501 class authorizes participants who complete this train-the-trainer course to conduct 10 & 30 hour outreach classes to general industry and issue OTI general industry 10 and 30 hour participation cards. Course time is spent learning and practicing adult training techniques. Students will participate in the development and delivery of lectures covering general industry safety topics during class. **Prerequisite:** participants must provide 511 class attendance verification and management confirmation of at least 5 years of relevant safety experience.

•**CLASS DATES:** November 29 - December 2, 2016

•**Location:** IISC's NEW office - 1501 42nd St, Suite 100 - West Des Moines, IA

• OSHA 510 OSH Standards for Const. Industry

Class time: 8:00 am - 4:00 pm (last day ends at noon).

This course for private sector personnel covers OSHA policies, procedures, and standards, as well as construction safety and health principles. Topics include scope and application of the OSHA construction standards. Special emphasis is placed on those areas that are the most hazardous, using OSHA standards as a guide. This course is the prerequisite for the OSHA #500 Trainer course.

•**CLASS DATES:** September 29 - October 2, 2015 | August 30 - Sept 2, 2016

•**Location:** IISC Office - 6200 Aurora Ave, Suite 604W - Urbandale, IA

• OSHA 511 OSH Standards Gen. Industry

Class time: 8:00 am - 4:00 pm (last day ends at noon).

This course for private sector personnel covers OSHA policies, procedures, and standards, as well as general industry safety and health principles. Topics include scope and application of the OSHA general industry standards. Special emphasis is placed on those areas that are the most hazardous, using OSHA standards as a guide. This course is the prerequisite for the OSHA #501 Trainer course.

•**CLASS DATES:** September 20-23, 2016

•**Location:** IISC's NEW office - 1501 42nd St, Suite 100 - West Des Moines, IA

• OSHA 502 Update for Const. Industry

Outreach Trainers

Class time: 8:00 am - 4:00 pm (last day ends at noon).

This course is designed for Outreach Training Program trainers who have completed OSHA #500 Trainer Course in Occupational Safety and Health Standards for the Construction Industry and are authorized trainers in the OSHA Outreach Training Program. The course provides an update on OSHA Construction Standards, policies, and regulations. Upon course completion students will have the ability to demonstrate continued professional development in their field by applying effective adult learning principles and interactive training techniques to clearly identify, define, and explain construction industry hazards and acceptable corrective measures as they continue to teach the 10- and 30-hour Construction Outreach Training Program classes. **Prerequisite:** OSHA #500 Trainers Course in OSHA Standards for the Construction Industry. Authorized Outreach Training Program trainers are required to attend this course once every four years (4) to maintain their trainer status. Prior to registration, students must provide a copy of their current Outreach Training Program trainer card or an official transcript showing successful completion of the OSHA #500 Trainer Course in OSHA Standards for Construction from their respective OSHA Training Institute Education Center, for verification of trainer status.

•**CLASS DATES:** February 9-12, 2016

•**Location:** IISC Office - 6200 Aurora Ave, Suite 604W - Urbandale, IA

• OSHA 503 Update for Gen. Industry

Outreach Trainers

Class time: 8:00 am - 4:00 pm (last day ends at noon).

This 3 day course is designed for those instructors who have completed the OSHA 501 Trainer Course in Occupational Safety and Health Standards for General Industry and who are authorized trainers in the OSHA Outreach Training program. This program provides an update on OSHA compliance, standards and industry best practices and will allow instructors to continue to conduct OSHA 10 & 30 hour outreach training. Students will participate in the development and delivery of presentations covering general industry safety topics during class. **Prerequisite:** OSHA #501 Trainer Course in OSHA Standards for General Industry. Authorized Outreach Training Program trainers are required to attend this course once every four (4) years to maintain their trainer status. Prior to registration, students must provide a copy of their current Outreach trainer card or an official transcript showing successful completion of the OSHA #501 Trainer Course in OSHA Standards for General Industry from their respective OSHA Training Institute Education Center, for verification of trainer status.

•**CLASS DATES:** July 26-28, 2016

•**Location:** Alliant Energy - 1001 Shaver Rd NE - Cedar Rapids, IA

ABOUT THE TRAINERS

Jim Silvers • Director of Program Development & Training • Iowa-Illinois Safety Council

Jim is identifiably qualified as an occupational safety and health trainer by several years of experience. He has 19 years of manufacturing experience, 4.5 years in the chemical industry. He also has 10 years of conducting on-site inspections across the country. Jim has an extensive background and knowledge in OSHA compliance and is an authorized Outreach instructor for OSHA 10 Hour, 30 Hour. Jim's experience also extends into Industrial Hygiene, HAZWOPER, and Medical Team training.

Jim has a personal commitment to assist you in creating a strong safety culture within your individual organizations.

Tony Westendorf • Trainer/Consultant • Iowa-Illinois Safety Council

Tony brings a diverse background of 14 years in manufacturing while also serving on safety committees. He has been a fire fighter for almost 31 years and has also trained fire fighters for over 20 years while being an EMT for 14 years. Tony was also a Safety Coordinator for 2 years at a casino/hotel. Tony holds certifications as a FF II, Fire Instructor II, Fire Pump Operator Driver Instructor, NIMS Instructor, and Haz. Mat. Ops level certified and CPR First Aid Instructor. He has a BA in Fire Science with the emphasis being in fire administration and fire prevention, as well as an AA in business.
